Bracket

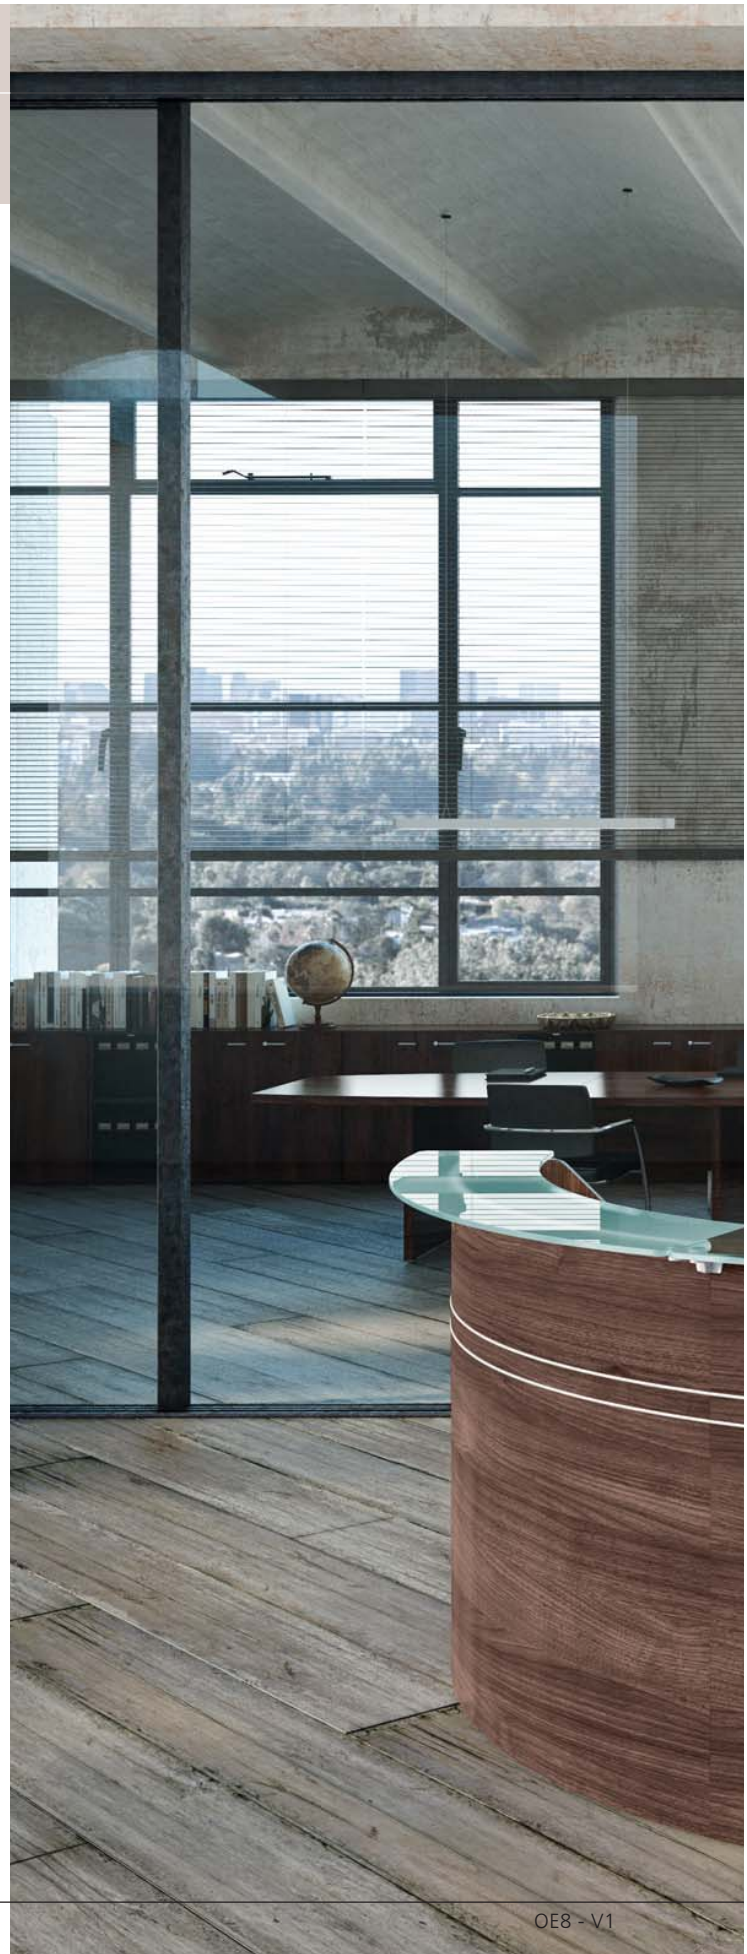

In metal for supporting shelf thickness 5 mm.

Cable passage flap

In ABS aluminium colour Ø 80 mm.

Leg

Shaped metal aluminium colour. ABS adjustable feet.

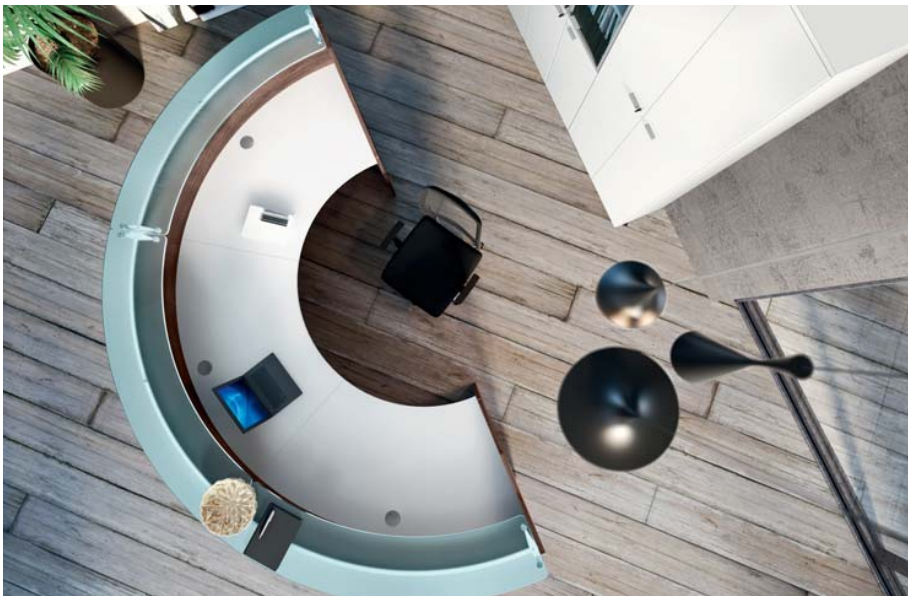

Hello is a range of curve and linear components which together define and furnish the reception area.

An important area where first contacts are made and which is also a company's "business card". The initial formal aspect also plays an important role on the image which the reception area conveys to the visitor.

The elegance of Canaletto walnut finish and the universal aluminum color make Hello adaptable to any personalization. The finishes of the desktops are white or aluminum with white structure, aluminum, Wenge or walnut Canaletto with glass shelf.
